

HR ExecuSummit – 2008 - Presenter Biography

The Mind of the New Global Executive

Allan Schweyer
President and Executive Director
Human Capital Institute

Allan Schweyer is President and Executive Director of the Human Capital Institute, editor of Leadership Excellence: The Journal of Human Capital Management, and author of Talent Management Systems (Wiley&Sons, 2004). He is an internationally-known analyst and speaker on transformational human capital management for individuals, organizations, regions and nations. Directly prior to joining HCI, Allan was a senior researcher, analyst and consultant with a prominent HR industry firm. Allan's articles and whitepapers appear in dozens of popular media and industry-specific publications worldwide.
